

WHAT WOULD IT TAKE...

1. Prepare by “getting into the LOVE vibration”

“Connect to Universal, Divine Energy” - FEEL PURE PEACE in your heart... Imagine there’s a golden Pyramid “over you, and also mirrored under you... “ then... ask your Ascended Masters, Guides, Angels, Psychic Surgeons, Guardians & Gurus to come “in the sapce” — to be around you & hear & feel your energy & desires...

Consciously & deliberately: Ask them to “heal you & all of your emotional & mental scars” and “give you the best energy that will magnetise you to your wishes, desires, wants, needs & intentions” PLUS...

THEN...

1. Imagine your body “expanding” with fizzy energy with a bubble around you

- within which is LOVE LOVE LOVE - so that you imagine yourself floating up as if you’re a helium balloon that’s been released... and you rise up over the city, region, state, country and you can peer down & have an aerial view that’s awe-inspiring... Imagine your “bubble” then expands out & so engulfs the WHOLE world & ALL of the “universe” Remember to FEEL “abundant” as you think about the gazillions of cells in your body and feel the resonance with the gazillion of stars in all of the galaxies

THEN...
